## Canterbury Women Researchers Coming Together

**(Please Print & Return this Questionnaire at the Nov 21 Breakfast)**

### Goals

1. To support and affirm Canterbury Women in Research.
2. To assist in connecting research networks – local and global.
3. To nurture and incubate ideas that will strengthen and empower Canterbury Women.
4. To encourage women to express themselves through research and other creative activities, particularly in science and education, with deeper penetration into diverse ethnic groups.
5. To affirm the importance of the research base before proceeding to action/policy making.

**Questionnaire (Circle Yes or NO where appropriate)**
